About This Game

Golfing Over It with Alva Majo is a discouraging game about climbing a surreal mountain with a golf ball, a different take on 2017's hit *Getting Over It with Bennett Foddy*. Experience the challenge of climbing an unyielding mountain without infuriating controls being part of that challenge.

Bennett Foddy has played this game and granted it his blessing.

- Golf your way up to the top.
- Listen as Alva explains why he made such a cruel game.
- Fall all the way back to the bottom.
- And if you manage to get to the top?
- Will that make you feel good?
- Will you feel that it's all been worth it?
- I think you will.
