About This Game

Are you fascinated with the hockey? Then our game is that you need. You become a hockey team manager. Equip the stadium, buy players and train them! Do not forget to develop sports schools, otherwise your players will be replaced by incompetent hockey players, and your team will fall apart, you have no right to allow it. In addition, you have to form a team for matches, which means it depends only on you whether your team win or not. Remember, your task is to bring the team to the professional league!

Features:

- Several available play sites;
- Many players with descriptions and characteristics;
- A variety of matches and tournaments.
