The movement is still stock, they move all the way up and all the way down There's actually a thread on another forum talking about if it's possible and I just wanted to show that it is.

Xenon 5351 Front Lip Spoiler for 91-94 Nissan 240SX This lip will add dramatic looks to the front end and adds downforce where needed.. Xenon 5351 Lip will reduce air from entering the bottom of your car giving you increased aerodynamics and front traction.
